Winemaker Notes

After the challenging 2010 and 2011 vintages, the 2012 growing season was ideal. With perfectly timed early rains, and generally moderate temperatures throughout the growing season, the fruit yield from this vintage was superb.

Our 2012 Cabernet Sauvignon/ Alexander Valley is bursting with aromas of cassis, violet, chocolate and black cherry. A very structured wine that is full and rich on the palate, with flavors of black fruit, roasted cocoa and spice. Full tannins with long finish make this Cabernet Sauvignon a sophisticated, and very age-able wine.
