Winemaker Notes

The 2015 harvest can be described as: dry, early, light, but with exceptional quality fruit. We had less than half the average rainfall for the 2015 growing season, and harvested three weeks earlier, on average, than usual. In a couple of cases we harvested an entire month earlier. Crop loads were down anywhere from 15% to 40%, however the quality of fruit was fantastic. Smaller berries and clusters yielded intense aromatics and flavors. This proved to be a great vintage for fruit characters in all varieties.

Our 2015 Viognier / Russian River Valley greets you with aromas of orange blossom, candied peach and star jasmine. This very aromatic wine is clean and crisp on the palate, with flavors of mandarin orange, apricot and yellow peach. The bright acid marries well with balanced weight and richness on the palate. This food friendly wine pairs well with a variety of cuisines such as seafood and shellfish, roasted or grilled chicken, but works equally well as a stand-alone wine.
