Clone Pommard – September 10, 2015

Winemaker Notes

The 2015 harvest can be described as: dry, early, light, but with exceptional quality fruit. We had less than half the average rainfall for the 2015 growing season, and harvested three weeks earlier, on average, than usual. In a couple of cases we harvested an entire month earlier. Crop loads were down anywhere from 15% to 40%, however the quality of fruit was fantastic. Smaller berries and clusters yielded intense aromatics and flavors. This proved to be a great vintage for fruit characters in all varieties.

Aromas of red raspberry, rhubarb, strawberry compote and ripe black cherry greet you, followed by fragrant rose, stemmy tea leaf, spearmint and subtle brown baking spice on the palate. A beautifully rich attack with both a savory and fruit balanced mid-palate weight. This Pinot Noir finishes with notes of lasting black cherry and raspberry tea.
